- FOR RELEASE -  
May 27, 2015

Contact person:  
Sarah Kelly 269-969-6395

### Household Hazardous Waste Collection Scheduled for June 6

**Marshall**  
**Saturday, June 6**  
**10 am - 12 noon**  
**Calhoun County Building, back parking lot**  
**Intersection of S. Grand St. and W. Hanover St.**

#### Products accepted:

- Aerosol cans
- Paint Thinner/Turpentine
- Oil and Lead based paint
- Pesticides/Herbicides
- Automotive products
  - Brake fluid
  - Transmission fluid
  - Antifreeze
- Small propane cylinders
- Household batteries
- Items containing mercury
- Medications
- Fire extinguishers
- Tube and CFL light bulbs
- Sharps-inside coffee container/laundry detergent bottle with lid

To facilitate the collection of your household hazardous materials we ask that you do the following:

- Please separate oil and lead based paint from all other chemicals. Remember that **NO LATEX PAINT** will be accepted. Allow it to dry thoroughly and put it out with your trash.

- Make sure products are labeled or identifiable so they can be properly loaded for disposal.
- Make sure that products are securely packed so that they will not break during transport.
- Collection is limited to the items listed above and will be held rain or shine.

May is a busy recycling month with several other collections occurring on other days. Please do not bring tires, Styrofoam, electronics, appliances, or items to be recycled to this collection.

For more information, call the Calhoun County Public Health Department at 269-969-6341 or visit our Facebook: Calhoun County Recycling or website: [www.calhouncountyrecycling.com](http://www.calhouncountyrecycling.com).
