I do hereby make application for a permit for installation of a tile to be placed in the
_____ County Drain at the following location:

(address) _____

_____, Township/City of _____ approximate distance for
closest intersection _____.

I certify that I accept the following:

1. Commencement of work set forth in the permit application constitutes acceptance of the permit as issued.
2. Failure to object within ten (10) days to the permit as issued constitutes acceptance of the permit as issued.
3. I will be responsible for and pay all costs for engineering and inspection services incurred by the Calhoun County Water Resources Commissioner in excess of the standard fee if needed.
4. I hereby agree to comply with all terms and conditions as set forth in the permit, together with the following rules and regulations as established by the Calhoun County Water Resources Commissioner:
 - A. All culverts must be proper size and material set at the established drain bottom. New or approved material to be used only. The Water Resources Commissioner shall set the size of the culvert, tile or pipe to be used.
 - B. Any structures removed such as headwalls, wingwalls, concrete slabs, rip rap, erosion protection, tiling and culverts-metal or concrete, must be replaced with new material and reconstructed to original condition or better.
 - C. All ditch banks, when disturbed, must be reshaped to a minimum of 2:1 slope, compacted topsoiled and seeded, fertilized and hydroseeded.
 - D. Five (5) days notice is required to the inspection department prior to any construction that will involve a county drain.
 - E. Equipment and materials may not be stored in any way so as to cause blockage of a county drain.
 - F. Permittee is responsible for maintaining all storm drainage during the time of construction, whether by use of pumping equipment or construction of a bypass system approved by the Water Resources Commissioner.
5. Permit fee will be One Hundred Fifty (\$150.00), payable by check to the Calhoun County Water Resources Commissioner. Engineer cost, if required, will be paid to Calhoun County Water Resources Commissioner within thirty (30) days of receipt of invoice.
6. If the Water Resources Commissioner deems it appropriate, prior to the issuance of a permit, proof of Contractor's Liability Insurance should be filed with the Office of the Water Resources Commissioner, with the named insured, in compliance with the Calhoun County Water Resources Commissioner's standards.

7. This permit does not relieve applicant from meeting any application requirement of law or of other public bodies or agencies, i.e. local, state or federal.
8. Permittee shall hold harmless the Drainage District, the Calhoun County Water Resources Commissioner, or Drainage Board, County of Calhoun, and the State of Michigan for any liability connected with installation of said tile.
9. Any failure of the work performed under this permit that causes an obstruction shall be subject to the provisions set forth under Section 280.421 of the Michigan Drain Code, Act 40 of 1956, amended.
