when you don't know who to call... for help.

What is 211?

211 is an easy to remember telephone number that connects callers to information about critical health and human services available in their community.

As the number of organizations providing specialized services is on the rise, people find it frustrating and confusing to access community services. 211 provides a one-stop service for vital information. With just one simple call to 211 you will have access to **thousands of programs** to **GIVE HELP** or **GET HELP!**
