Calhoun County Friend of the Court Warrant Recall Day

The Calhoun County Friend of the Court, in partnership with the Michigan Department of Corrections, Calhoun County Sheriff's Department and Michigan Works, will recall Calhoun County Friend of the Court warrants on March 4th from 9:30 a.m. to 3:00 p.m., for payers meeting recall program requirements. Child support payers with an existing Calhoun County arrest warrant issued pursuant to the Support and Parenting Time Enforcement Act will meet with Friend of the Court staff to resolve their warrants for significantly reduced bond amounts. The intent of the program is to resolve as many of the more than 1,900 Calhoun County Friend of the Court warrants as possible short of arrest. Most of the currently pending warrants were issued by the court for failure to appear at a court hearing. In addition, the Court will waive fines and costs normally associated with a bench warrant.

The First United Methodist Church at 111 East Michigan Avenue in downtown Battle Creek is co-sponsoring and hosting the event. Unemployed payers will also have an opportunity to talk with employment readiness providers, update contact information, and obtain general Friend of the Court information. Photo identification is required for warrant resolution.
