## REQUEST FOR PROPOSALS – INTRODUCTION

### A. Overview

This Request for Proposals (“RFP”) is being issued by the Calhoun County Land Bank Authority (CCLBA) for work to be done by the CCLBA; the RFP also covers the City of Battle Creek for projects that are part of the NSP2 Program and are covered by reallocated funding. The CCLBA and the City of Battle Creek invites the submission of proposals from Title Companies and Attorneys to provide a range of title services including title insurance, title reports to see if properties are eligible for title insurance, escrow/closings services, and Quiet Title services; the CCLBA may hire a separate company or attorney to conduct Quiet Title Services. Licensed companies with demonstrated experience in these areas and an interest in making their services available to the CCLBA and the City of Battle Creek are invited to respond to this RFP. “Respondents” means the companies or individuals that submit proposals in response to this RFP.

It is understood that the selected Respondent acting as an individual, partnership, corporation or other legal entity, is State licensed and certified to perform title services, quiet title services and escrow/closing services and is capable of providing the specified services on which they bid. The Respondent shall be financially solvent and its members if a joint venture, its employees, agents or sub-consultants of any tier shall be competent to perform the services required under this RFP document.

For potential NSP2 reallocation projects, the CCLBA and the City of Battle Creek are seeking to encourage participation by respondents who are MBE/WBE or Section 3 business enterprises and have a goal for minimum MBE/WBE participation of at least 10% MBE and 10% WBE participation. Significant points will be awarded to Section 3 qualified companies.

Nothing in this RFP shall be construed to create any legal obligation on the part of the CCLBA, the City of Battle Creek or any respondents. The CCLBA and City of Battle Creek reserve the rights, in its sole discretion, to amend, suspend, terminate, or reissue this RFP in whole or in part, at any stage. In no event shall the CCLBA or the City of Battle Creek be liable to respondents for any cost or damages incurred in connection with the RFP process, including but not limited to, any and all costs of preparing a response to this RFP or any other costs incurred in reliance on this RFP. No respondent shall be entitled to repayment from the CCLBA or the City of Battle Creek for any costs, expenses or fees related to this RFP. All supporting documentation submitted in response to this RFP will become the property of the CCLBA. Respondents may also withdraw their interest in the RFP, in writing, at any point in time as more information becomes known. Bids are to be firm and cannot be withdrawn for a period of thirty (30) calendar days after opening.

The CCLBA has adopted purchasing policies and procedures for procurement process. For further information on this requirement, contact the Calhoun County Purchasing Department, 315 W. Green St., Marshall MI 49068 or phone 269-781-0981 or visit [CCLBA Purchasing Policies](#).

### B. Time of Completion

Any contract awarded pursuant to this RFP solicitation shall agree to complete the work as outlined in the Scope of Services. The CCLBA may select more than one service provider from the proposals submitted to obtain the most qualified firm(s) or individual(s) for appraisal services to ensure timely completion of the requested services.

### C. Term of Contract

Any contract awarded pursuant to this RFP solicitation shall be for a contract period of one (1) year, with the option for renewal for an additional two (2) years for all non-NSP2 projects; this contract shall

run until the end of NSP2 Reallocation term for services performed under that grant. All contracts made by the successful bidder with subcontractors shall be covered by the terms and conditions of the contract. The successful bidder shall see to it that their subcontractors are fully informed in regard to these terms and conditions.

#### D. NSP2 Background

Under the Recovery Act, Congress established the Neighborhood Stabilization Program 2 (NSP2) to stabilize neighborhoods whose viability is negatively affected by properties that have been foreclosed upon and abandoned. NSP2 provides grants to states, local governments, nonprofits and a consortium of public and or private nonprofit entities on a competitive basis.

The Michigan NSP2 Consortium received \$223,875,339. The Michigan State Housing Development Authority (MSHDA), as lead applicant, 12 city governments, and eight county land banks will work together to remove blight, address vacancy and foreclosures, and reposition neighborhoods in targeted NSP2-eligible census tracts. MSHDA allocated \$201,487,805 to place properties back in productive use and \$22,387,534 in administrative fund for MSHDA, Cities and Lands Banks to share.

Originally, the City of Battle Creek received \$4,501,000 and the CCLBA received \$3,218,839 for a total award amount of \$7,719,839 to assist the targeted census tracts in the City of Battle Creek.

It is possible that the State of Michigan will reallocate additional funding to the CCLBA and/or the City of Battle Creek in the future.

#### E. NSP2 Federal Regulations

For NSP2 projects, award recipients implementing the Michigan NSP2 Consortium must follow the Community Development Block Grant (CDBG) Program rules and regulations, unless stated otherwise in the May 4, 2009 of the Federal Register Notice [Docket No. FR-5321-N-01] regarding [Title XII of Division A of the American Recovery and Reinvestment Act of 2009](#), which is posted on

[http://www.hud.gov/offices/cpd/communitydevelopment/programs/neighborhoodspg/pdf/nsp2\\_nofa.pdf](http://www.hud.gov/offices/cpd/communitydevelopment/programs/neighborhoodspg/pdf/nsp2_nofa.pdf)

Respondents are strongly encouraged to read these regulations prior to submitting their response to this RFP. All NSP2 funds awarded through reallocation must be administered as per the official regulations.

### PROFESSIONAL SERVICE REQUIREMENTS

#### A. Scope of Work

The CCLBA seeks sealed proposals from Respondents to provide title services, quiet title services and escrow/closing services throughout Calhoun County and in targeted neighborhoods and census tracts in the City of Battle Creek. (*See Appendix A – NSP2 Boundaries and Map.*) All respondents must possess the necessary qualifications to provide title services, title insurance and escrow/closing services; if necessary, the Land Bank may hire a second company to provide Quiet Title Services. Homes acquired by the Calhoun County Land Bank Authority in general, as well as those considered for projects under the NSP2 reallocation process will be foreclosed, abandoned or blighted properties in various states of disrepair.

The CCLBA is interested in facilitating the acquisition of vacant/foreclosed properties from various mortgage loan servicers and through the State of Michigan tax foreclosure process for the purpose of

rehabilitation, new construction, and demolition to foster neighborhood stabilization. Services shall be provided on an “as needed” basis; the CCLBA does not guarantee a minimum quantity.

**OTHER ASPECTS TO CONSIDER:**

1. **For Title Services:** The selected respondent will conduct title searches, examinations, and issue title abstracts, title commitments, and owner’s policies pursuant to the current standards of the American Land Title Association, in connection with the conveyance of single-family, 2-4 unit buildings, and 5 or more unit multi-family projects in Calhoun County; these services may also be needed for commercial, industrial, and agricultural properties. This includes determining the condition of title to be insured and evaluating the risk to be undertaken in the issuance of a title insurance policy. For projects that fall under the NSP2 program, and when applicable in individual cases, the selected respondent must be able to provide title insurance for the proposed rehabilitation cost of a property. The selected respondent also must establish a separate escrow account specifically for any transactions involving NSP2 projects covered under the reallocation.
2. **For Escrow/Closing Services:** Prior to the issuance of title policy, the title company will determine proper execution, acknowledgment and delivery of all conveyance documents, including deeds, required to consummate transactions involving the sale of properties. This includes a determination that proper consideration has passed confirmation of title clearance, preparation of settlements statements, and proper disbursement of all proceeds. The selected respondent will also be required to coordinate with lenders in conjunction with the issuance of loan policies.
3. **For Quiet Title Services:** In instances when a property does not qualify for traditional title insurance and requires a Quiet Title action, the company shall conduct the proper research and notification and other necessary steps to comply with all applicable laws and regulations. The selected respondent will be required to coordinate these services with the CCLBA staff.

The CCLBA reserves the right to select the contractor(s) that best meets the CCLBA’s goals and objectives, quality levels, as well as its educational and service level expectations. The CCLBA reserves the right, in its sole discretion, to reject any/or all proposals, to waive any irregularities and technical defects contained therein, to award the contract in its entirety, in part, or not at all and/or determine which proposal is the lowest and/or best to enter into a Contract, as deemed to be in the best interest of the CCLBA and for City of Battle Creek for NSP2 projects. The CCLBA may select more than one service provider from the proposals submitted to obtain the most qualified firm(s) or individual(s).
