D. Background

Under the Recovery Act, Congress established the Neighborhood Stabilization Program 2 (NSP2) to stabilize neighborhoods whose viability is negatively affected by properties that have been foreclosed upon and abandoned. NSP2 provides grants to states, local governments, nonprofits and a consortium of public and or private nonprofit entities on a competitive basis.

The Michigan NSP2 Consortium received \$223,875,339. The Michigan State Housing Development Authority (MSHDA), as lead applicant, 12 city governments, and eight county land banks will work together to remove blight, address vacancy and foreclosures, and reposition neighborhoods in targeted NSP2-eligible census tracts. MSHDA allocated \$201,487,805 to place properties back in productive use and \$22,387,534 in administrative fund for MSHDA, Cities and Lands Banks to share.

The City of Battle Creek received \$4,501,000 and the Calhoun County Land Bank Authority received \$3,218,839 for a total award amount of \$7,719,839 to assist the targeted census tracts in the City of Battle Creek.

E. Federal Regulations

Award recipients implementing the Michigan NSP2 Consortium must follow the Community Development Block Grant (CDBG) Program rules and regulations, unless stated otherwise in the May 4, 2009 of the Federal Register Notice [Docket No. FR-5321-N-01] regarding [Title XII of Division A of the American Recovery and Reinvestment Act of 2009](#), which is posted on

http://www.hud.gov/offices/cpd/communitydevelopment/programs/neighborhoodspg/pdf/nsp2_nofa.pdf

Respondents are strongly encouraged to read these regulations prior to submitting their response to this RFP. All NSP2 funds must be spent on specific eligible activities no later than February 10, 2013 and 50% of NSP2 funds must be spent no later than February 10, 2012.
