

**Questions & Answers**

- 1. On the 26 Fremont roof, will Option B for the repair of south east side of house be subtracted from Option A?**

Yes, this project WILL be completed in two phases due to cost. Option B will be need to be completed by November 26 deadline. The awarded contract may bill for that portion of the cost, then that amount will be subtracted from Option A (entire replacement cost line item). The remaining part of the roof will be replaced in 2016 during spring and/or summer. The terms of contract; that any contract awarded pursuant to the RFP solicitation shall be effective until awarded projects are completed.
