

1. **Will master keys be used?**

Yes, the County typically groups keys by year.

2. **Does the county prefer a particular lockset, such as Quickset?**

The County prefers a good quality, exterior grade lockset. If the door has a deadbolt, then it should be re-cored or replaced if possible.

3. **Does the per hour pricing include all materials or would there be a reimbursement for any portion of materials?**

The County will reimburse for materials so long as costs are approved by the County and the contractor documents them when submitting his/her invoice.
