RE: Questions and Responses - RFB#115-13; Signs & Posts

The following information represents a list of proposer's questions, and the official corresponding responses from the County, which were received by the Calhoun County Purchasing Department in accordance with instructions stated in RFB#115-13 (*Page 11, Sec. 2.4 "Inquiries"*). All respondents to the County solicitation will be responsible for this information when submitting a proposal for Signs & Posts. Questions and the related responses that add to, alter, or change in any way, the requirements and specifications in RFB#115-13 may become part of the final contractual documents upon the award of an agreement.

Vendor questions are numbered and italicized, and are followed by the corresponding response by the County in **bold** text. In instances where more than one vendor asked a question and the question was essentially the same, the typed question is a combination of the written inquiries.

QUESTIONS AND RESPONSES

1. Are posts green or galvanized?

Posts are to be painted green.

2. Of the 3 signs under the heading HIP-Grade Warning Signs, are they complete?

We are looking for an example of pricing for this type sign.

Thus ends the question and answer period for RFP#115-13 Signs and Posts.
