**RE: QUESTIONS AND ANSWERS: *RFB#113J-14 Asphalt Emulsion***

The following information represents Calhoun County's official response to written questions received from potential bidders pertaining to ***RFB#113J-14***. All respondents to this County solicitation are responsible for this information when submitting a bid for asphalt emulsion. These replies in response to questions pertaining to the specifications as stated in ***113J-14*** will become part of the final contractual documents upon the award of an agreement.

Written questions received by the deadline of ***May 14, 2014*** (as noted in ***RFB#113J-14, Sec. 2.4***) have been answered below. Questions are stated in italics and the County's official response follows the question in bold.

*Q#1: Has the renewal been cancelled and a bid proposal been advertised due to completing a joint venture with Jackson County Road Department?*

**A#1: No**

*Q#2: Will all chip seal for Calhoun and Jackson be applied by the County workforce or is the application contracted to a chip seal contractor?*

**A#2: For Calhoun, this is not for chipseal emulsion, it is spray patch emulsion.**

*Q#3: On page 21 of the bid proposal, HFRS-2 has an asterisk and its reference near the bottom of the page refers to HFRS-2M. What is the preferred binder for each of the road departments in the bid proposal and can the asterisked confusion be cleared up?*

**A#3: The 'M' stands for modified with polymer; we are only bidding spray patch emulsion. Calhoun is bidding spray patch oil only.**

*Q#4: 4.3.2.8 explains that volumes are estimates; however, is there any confirmed project(s) and if not per the estimate what current volumes are on the books?*

**A#4: Calhoun is bidding spray patch emulsion only and approximately 110,000 gallons for Calhoun and 0 in Jackson.**
