RE: **ADDENDUM #1: RFB#123JX-15 3/8 X #4 BLAST FURNACE SLAG**

The following information was received via written inquiries submitted by September 1 as outlined in the procedures for RFB#123JX-15 and should be considered when responding to RFB#123JX-15 Blast Furnace Slag. All respondents to this County solicitation are responsible for this information when submitting a bid for slag material. This addendum to the specifications as stated in RFB#123JX-15 will become part of the final contractual documents upon the award of an agreement and should be used in preparing your bid response. Bid responses that do not reflect this information may not be considered by the County.

Questions are in *italics* and the corresponding County response is in **bold**:

1. *Inquiries have been received by the County regarding the 3/8 x #4 slag material, as specified in Sec. 3.2 "Specifications", requesting to know if an alternate product would be considered by the County.*

Although Sec. 2.8 indicates that bids for alternate products may be deemed as non-responsive, the County will consider alternate slag materials. If bidding an alternate product, provide the sieve analysis and sample, as requested in Sec. 3.2 "Specifications" Viewing or samples of the material currently in use can be coordinated by contacting:
