ITEMS THAT WILL NOT BE ACCEPTED

Latex paint Latex paint is considered non-hazardous waste. Your waste hauler will take it with your trash pick-up provided it is in a solid form with the lid of the can removed. Mix kitty litter or sand in the paint and leave it in the sun to dry. Once the paint is solid leave the lid off so waste hauler can verify there is no liquid.

Explosives	Motor oil	Biomedical waste	Radioactive material	Driveway sealer	Car batteries	School chemicals (e.g. from chemistry lab)
