SCOPE OF WORK

The CCLBA seeks sealed proposals from Respondents to provide labor and materials associated with General Contracting services at 158 Broadway Blvd in compliance with all applicable ordinances and codes of the City of Battle Creek. Work includes, but is not limited to, window repair/replacement, entry door replacement and storm door installation, remove accessory structure, roof repair for the garage, and upgrades to mechanical system testing, install electrical panel cover, and flooring replacement. A full scope of work can be found in Appendix A.

The Contractor shall obtain and pay for all permits, and licenses required by any ordinance, code and regulation of the jurisdictions in which the work is to be done. All permits, licenses or testing required by any ordinance, code or regulation of the State of Michigan or local municipality that is required for the performance, completion and execution of this project shall be the responsibility of the selected Contractor. All inspections and reports will be presented to Property & Project Coordinator prior to final payment for the project.

OTHER INFORMATION RELATED TO BID WORK:

1. All construction work shall be performed in accordance with State of Michigan, International Building Codes, Mechanical, Plumbing, Electrical codes and the City of Battle Creek requirements.
2. All construction work shall be inspected and approved by City of Battle Creek Inspections, when required and CCLBA staff members.
3. Contract work will commence immediately upon contract signing in order to meet deadlines for project completion.

4. The Contractor shall be fully responsible for obtaining at the Contractor's cost, all necessary permits and licenses as required by City of Battle Creek.
5. The awarded Contractor shall be responsible for completion of each item specified in this work specification. Any changes shall be authorized only by the initiation of and execution by the CCLBA and the Contractor in a formal CHANGE ORDER. Approved Change Order must be approved by CCLBA Executive Director prior to any work.
6. The Contractor shall verify, on the job site, all quantities, measurements or dimensions, conditions, plans and working drawings before submitting this bid. There will be no Change Orders to prices based on mistaken quantity count, measurements or dimensions.
7. The Contractor shall immediately notify (verbally and in writing) the Property & Project Coordinator of any discrepancies on the plans, working drawings, work specifications, and measurements or dimensions. The Contractor shall be held responsible for all such verifications as previously stated.
8. The Contractor shall provide and install all necessary bracing to support and maintain the existing construction in a safe and undamaged condition throughout all phases of demolition, construction and/or reconstruction.
9. The Contractor shall take any and all precautions necessary to ensure that fixtures and materials, which are temporarily removed during any phase of construction, are protected from damage, vandalism and/or theft. Damage to property caused by the Contractor or his/her negligence shall be repaired or replaced by the Contractor at his/her own expense.
10. There have been no soil tests taken on this site pertaining to structural loads and, therefore, the CCLBA is not warranting, guaranteeing, or taking any responsibility regarding the bearing capacity of the soil and whether or not it is sufficient to support the structure or design.
11. Color(s), type, model, style, finish and manufacturer of all materials, and all other products used in the rehabilitation work shall be approved and/or selected by the CCLBA, and shall be standard in nature unless approved by the CCLBA.
12. The discarded roofing, debris, and all other construction debris shall be removed from the work areas daily and disposed of properly. The property shall be left in a clean and safe condition at the completion of the job.
13. No work shall commence until a **NOTICE TO COMMENCE** is provided by the CCLBA to Contractor.
14. All work completed on job site is to be per manufacturer's specifications and Standard Trade Practice.
15. If plans are required for the project, the Contractor shall furnish all required plans, not furnished by the CCLBA, and all required engineering.
16. All plumbing fixtures shall comply with all water saving codes.
17. All mechanical and electrical fixtures shall comply with energy saving codes.
18. The selected Contractor may be asked to participate in a Pre-Construction Conference with the CCLBA, and will be expected to complete all work (lead related or basic rehabilitation) in the time frames agreed upon.
19. **Lead and Asbestos Statement**
 - a. If needed, all lead evaluations and associated reports performed, including inspection, risk assessments, hazard screens, and clearance exams, must comply with Part III Environmental Protection Agency 40 CFR Part 745 "Lead; Identification of Dangerous Levels of Lead; Final Rule", dated Friday, January 5, 2001 & Part XI Environmental Protection Agency 40 CFR part 745 "Lead; Requirements for Lead-based Paint Activities in Target Housing and Child-occupied Facilities; Final Rule", dated Thursday, August 29,

1996. The CCLBA reserves the right to reject any lead evaluation or report that does not appear to comply with Environmental Protection Agency 40 CFR Part 745 Regulations.
b. CCLBA will be responsible for lead and asbestos abatement assessments, clearances or other examinations, if necessary.

MANDATORY PRE-BID MEETING: Will be held **Thursday, 3/7/2019 at 9:00-10:00am** at 158 Broadway Blvd, Battle Creek.

WRITTEN REPORTS: Contractor shall be responsible for preparing or causing to have prepared final compliance paperwork for payment and use by the CCLBA. *These reports shall include a full unconditional lien waiver from all major suppliers and subcontractors, sworn statement as well as confirmation that the local building permit has been finalized (e.g. approved).* Payment will not occur until staff receives all required documents, and final payment will not occur until confirmation of the finalized permit.

INTERESTED BIDDERS: Interested bidders MUST REGISTER their company and intent to bid on this RFP at the Calhoun County website: <http://www.calhouncountymi.gov/vendors/registration>. A copy of the questions & answers associated with this RFP will be sent out per the Calhoun County's online registration database.
