Question # 1 *Are blades single or double bevel?*

Answer #1 Underbody blades are single bevel

Question #2 Statements from multiple vendors: *DSE flame hardened blades are not available in 5/8" x 8"x6'. Our blades do not meet specification hardness or chemistry. Would the County consider an alternate blade of FSE high carbon 5/8"x8"x6' (or other alternates)?*

Answer #2 The County of Calhoun and Jackson will consider bids with alternate blades; however, have no obligation to select the alternate product. Bid submissions should contain complete detail of the alternate blades.
