

## Questions & Answers

RFP #08-CCLBA-2016 – Demolition Services

August 24, 2016

1. Are the environmental reports (asbestos and other hazardous materials) for the projects available for review?

The asbestos and hazardous material assessments are not available for review at this time because they are not required for bidding the demolition services of this RFP. All projects will have abatement of asbestos and hazardous material completed prior to demolition, as stated on page 3, Scope of Work/Deliverables.
